

General

The Audi DAB+ kit integrates DAB & DAB+ into your Audi MMI High 2G system without any loss of sound quality!! It will also allow you to control the DAB stations through your factory MMI and steering wheel controls. You can select the DAB interface via Audi MMI menu via "DAB (Digital radio)".

Features:

- # DAB & DAB+ with perfect digital Quality Sound!
 - # DAB Text support
 - # DAB & DAB+ codec
 - # Last Memory function
 - # Control the stations via MMI button and steering wheel
 - # Plug and play Cable kit
 - # Conservation of OEM CD changer
 - # Automatic switching of DAB <-> FM
- (Switching is done only if the corresponding station is receivable on FM band and no DAB signal is present)*
