

OEM wired to wireless Carplay & Android AUTO adapter

Art. Nr: CP-WLS-A7

DESCRIPTION

General

Convert your OEM factory wired Carplay & Android AUTO system to WIRELESS. Easy installation via the plug and play wiring. Just plug-in the USB cable into your car.

This adapter add wireless Android AUTO to your car when your car has only the wired Carplay option and not the Android AUTO solution.

Features

- Original wired to wireless Carplay & Android AUTO
- When car has wired Carplay only, it will add Android AUTO wireless
- Plug & Play via USB (A and C included)
- Auto connection
- Keeps all features of OEM Carplay & Android AUTO
- Original button_touchscreen_steering wheel button support
- Cortex A7 Dual core chip
- Online updates & updates via USB
- Compact design

REQUIREMENT

iPHONE	Your iPhone must have IOS10.0 or higher
---------------	---

ANDROID PHONE	Your Android Phone must have Android 11.0 or higher. Please note that the wireless Android AUTO can be unstable (depending on the phone specifications)
ANDROID AUTO	<p>When the car has only wired Android AUTO and <u>no</u> Carplay function, this module is NOT compatible (this module is using the Carplay protocol)</p> <p>When the car has <u>no</u> Android AUTO option but only wired Carplay function, this module will add the wireless Android AUTO function to your car.</p>
SCREEN SIZE	When using Android AUTO, the screen size can be a little bit different compared to the wired option. This is because the module simulates the Carplay function.
USB	APPplay wireless support USB & USB-C
INSTALLATION	Plug and play via the included USB cable (USB & USB-C)
UPDATES	Online updates possible with iPhone & updates via USB port of the module (request the update file by NavInc)
NOTE	It is possible that when you are using wireless charging and wireless carplay or Android auto your phone gets overheated. Use in this situation a wired charger.

ANDROID AUTO

Your Android Phone must be Android 11.0 or higher. Please note that the wireless Android AUTO can be unstable (depending on the phone specifications)
