Tap in the upper right hand corner for right mouse click.

Tap anywhere else for left mouse click.

Drag along the right edge to scroll documents and web pages.

Tap twice holding down and dragging your finger on the second tap for highlight and drag-n-drop.

Remember: You never run out of dragging space! If you drag or draw something to the very edge of the touchpad, it automatically senses you are at the edge and gives you 3 seconds to lift up and reposition your finger.
