

THINKWARE

BENELUX

DESCRIPTION

General

The Thinkware Side view camera is a low-profile exterior side view camera that fits neatly on either side of your vehicle to cover your blind spot and record events in Full HD video quality.

For complete security, pairing two Thinkware side view cameras with a Thinkware compatible dash cam and the Multiplexer accessory allows you to turn your dash cam into a multichannel recording system that can cover both the left and right blind spots simultaneously.

Features

- Clear video recording in 1080p Full HD video resolution
- Waterproof and Dustproof IP68
- Multiplexer compatible
- Compatible with F200 PRO, F790, X800 and X700 dash cams
- Cable length: 1,5 meter Cable + 3 meter Cable

The package includes only one TWA-NEXTS camera and requires a compatible Thinkware dash cam.

NOTES

- We recommend that the installation will be performed by a qualified specialist
